

After School Enrichment - Fall 2018

The Wasatch Family Foundation is pleased to provide several after school activities for Wasatch Charter School students of every age and interest. Class availability is based on a minimum number of students signing up. Once that minimum is met, there is a maximum cap on the number of students accommodated, so we encourage parents to enroll your children early.

Parents are responsible for providing a nutritious late-afternoon snack and water, dressing their child in appropriate clothing for the activity, and picking up their child promptly at the end of class. To register, complete the following online form...
